

NOTICE TO OFFERORS  
(Chapter 103D, HRS)

The State Department of Land and Natural Resources (DLNR), desires a qualified contractor for Job No. 500BO41A, Komo Mai Drive Rockfall Mitigation, Oahu.

The purpose of the project is to install a rockfall protection fence system along a portion of Komo Mai Drive on the makai side of the property, install a wire mesh drape system to stabilize the hillside along Komo Mai Drive along with a 3-foot high chain-link fence with tie-back anchors upslope of the drape system, and to stabilize or demolish rock overhangs and outcroppings located on the project site property (TMK 9-7-025:010) to reduce or minimize the potential rockfall hazard risks to local traffic and residents and their properties. Copies of this Request for Proposals (RFP) may be obtained from DLNR, Engineering Division Office, Room 221, 1151 Punchbowl Street, Honolulu, Hawaii 96813. Offerors wishing to receive a copy of the RFP by mail should provide an express mail account number. One (1) original and four (4) copies of the sealed proposals will be received up to 2:00 p.m. (H.S.T.), February 9, 2006 in Room 221, 1151 Punchbowl Street.

Proposals shall be in the format established in the RFP. The Chairperson reserves the right to cancel this RFP, to reject any or all proposals in whole or in part, and to waive any defects in any proposal in the best interest of the DLNR.

The Department of Land and Natural and Resources Interim General Conditions dated October 1994 shall be made part of the specifications.

A voluntary Pre-bid Conference will be held at the Engineering Division office, Room 221, located at 1151 Punchbowl Street on January 17, 2006 at 9:00 am.

Should there be any questions, please call 587-0268.
